### Sports Premium Spending Plan and Impact 2018-19

Super skipping in Year 1 Rabbits 🐰

Samuel White's children came 2nd out of the 19 infant schools that competed at the Festival of Youth Sport. What a fantastic achievement! A huge thank you to all the parents/carers that made it possible for the children to attend. Your support was gratefully received.

Year Two Hedgehogs are archery pros! 🏹🐿️

#### What is Sports Premium Funding?

This is targeted money provided by the government to develop sport in schools. We welcome this funding and we are using it to improve our sporting offer to all the children.

#### Sport at Samuel White's Infant School

Sport and Physical exercise play a big part in the life of our school. It is an important part of the school curriculum and a key part of the school's extra-curricular programme. The school promotes sport to keep children active and healthy, foster teamwork, provide opportunities for fair competition, and support physical and emotional development and to have fun.

The Sports Premium Funding is used to develop the teaching of PE and games in the school curriculum, increase the range of extra-curricular activity and to develop increased opportunities for inter and intra school competition.
