Welcome to Year One!

We hope you all had a wonderful summer holiday. We're really looking forward to seeing all of the children again and welcoming them into their new classes.

### **Important info:**

- Class teachers will come out on to the playground at 08:50 in the morning to give you a chance to pass on any messages. They will then bring the children into the classroom at 08:55, at which point any further messages will need to be passed on through the office.
- P.E. for all of Year One will be on a Thursday in term 1. Please therefore send your child to school dressed in their P.E. kit every Thursday.
- Your child will bring home a new reading book by the end of the first week of term. This will be changed weekly on their reading day, but it is important that they bring their reading book and HASP book to school every day.
- We ask for the children to have book bags to carry their belongings to school, rather than backpacks, as there is a limited amount of space available in the cloakrooms.
- Your child's class teacher will award your child with a reading dojo point for reading at home 5 times across a week. Remember that all reading counts!
- Please remember to label all items of clothing and personal belongings.

Thank you!  
The Year 1 team.

## English

**To help your child at home with their English this term, you could do the following:**

- Enjoy sharing lots of fairy tales!
- Explore alternative versions of fairy tales and traditional tales from other cultures.
- Use the text map to practise orally retelling the story of 'The Three Billy Goats Gruff'.
- Support your child to find and follow sets of instructions (e.g. when playing board games, baking, building models etc).

## Maths

**To help your child at home with their English this term, you could do the following:**

- Practise counting sets of objects up to 20 (and beyond if they are confident!)
- Use everyday objects from around the house to practise simple addition and subtraction calculations.
- Help your child to spot and read numbers as they encounter them around the house and when out and about in the local environment.
- Practise writing numbers to 20 in both numerals and words.
