(Ancient Egyptian
culture which will be
compared to the Iron
Age in the UK)

Term 1:

Arts weeks:

Children will look at
the work of Kandinsky
and Paul Klee and learn
about colour.

Toy Stories:

Children will learn
different techniques for

General

Our main channel of communication to you is Class Dojo, alongside the School Website - www.hanhamprimaryfederation.org which contains all letters, details of events and a school calendar to keep you up to date. Copies of this newsletter, trip information and school letters can be downloaded from the website. We will also be using the school Twitter account to share information and photos of events so this is another great way to find out about what is going on in school. Finally, we will soon start sharing pictures of our learning walls in maths each week so you can see what your children are learning in class.

Home Learning and How You Can Help:

Maths and English homework will be set weekly from week 3. We will set this on a Tuesday, to be completed by the following Tuesday. Tasks are set to support the learning in school and will be explained to children fully. They are also expected to read at least three times each week. Please record this in their planners and upload a photo to Class Dojo. We give a Dojo to every child who

English

To help your child at home with their English this term, please do the following:

- Read with your child every night (minimum of 3 times a week).
- Help your child to practise the spellings that are given for spelling homework. They will be given an opportunity to show what they have learned the following week in the dictation session.

In addition you could:

- Practise the Year 3/4 spellings from the list in the back of the

Maths

To help your child at home with their Maths this term, please do the following:

- Support your child with their maths homework which will be set either on Doodle Maths or Times Tables Rock Stars.

In addition you could:

- Practise quick recall of number bonds to 10, 20 and 100. E.g. $3 + ? = 20$, $45 + ? = 100$
- Practise quick recall of times tables facts. We will soon be starting our
