Christianity:
The Christmas Story
Jigsaw
Celebrating Difference

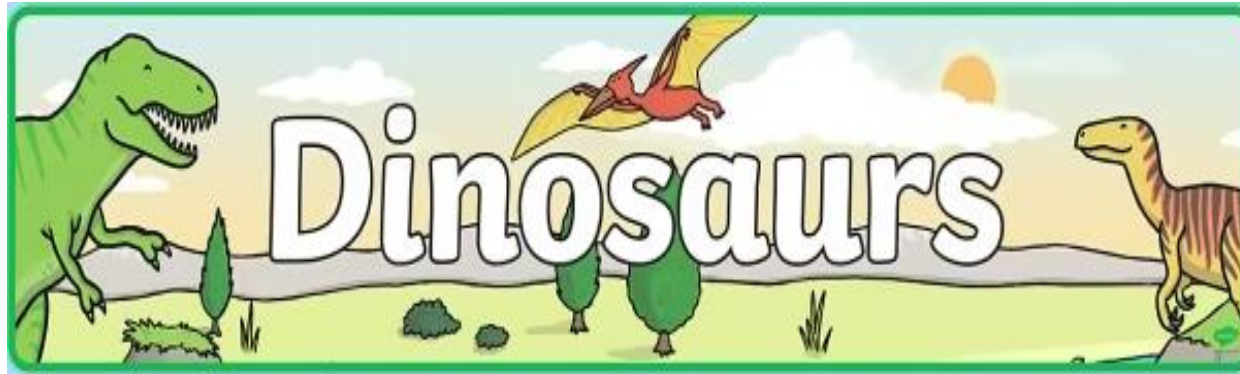

Special Events/ Enrichment

Dino Day:
An end of unit
celebration where we
will create our own
dinosaur bones and
hunt for fossils.

**Christmas
Performance.**

Hook Day

We were very excited
that Bristol
University will be
visiting to deliver a
free dinosaur
workshop.

Reading spine books:

The Magic Brush
Traditional Tale
The Paper Bag
Princess
Robert Munsch
Malala's Magic Pencil
Malala Yousafzai

English

**Text: The girl and the
Dinosaur**

We are exploring
fiction and poetry texts
to write with purpose.

Maths

Addition and
Subtraction.
2D and 3D Shapes.

Computing/Art

We will learn about
digital painting and
explore differences in
art work made
digitally or in real life.

Music

We will be learning
about pitch by
exploring animals and
the different sounds
they make.

History

We will learn about
Robert Plot, the man
who discovered the
first dinosaur bone.

We will learn about
different dinosaurs,
where they lived and
how this has changed
compared to today.

Science

Seasonal Changes

We will learn about
the four seasons and
observe the change in
our environment as
the season changes
from Autumn to
Winter.

We will explore
different types of
weather and how the
weather is affected
by the seasons.
