idea  
BUSINESS

We will continue our work on Christian themes ending with the story of the nativity.

**PE enrichment:** Tag rugby and Archery

(continued from term 1), **Money** and **Length and Height**

We will be exploring mechanisms such as axles and designing Ferris wheels using our new knowledge of properties of materials.

Digital media and photography using I-pads to take and edit photos

The children will continue to sing and explore timbre, texture, beat and rhythm.

We will learn about different inventors and their inventions. We will look at the impact of historical events (the invention of human flight on life today)

We will look at a range of everyday materials and their properties. We will learn to group materials based on their properties. This will link with work in DT.
