Special Events/ Enrichment

- Egyptian Day 23rd November
- Christmas Performances:
Thursday 7th December at 9:05
Friday 8th December at 2:40

Term 2: Ancient Egyptians

Homework

- Daily reading (Boom Reader)
- TTrackstars
- Spelling Shed
- Freckle maths

Reading

We will be continuing to develop our fluency skills in whole class fluency lessons.

We will be using different texts linked to the wider curriculum to develop our reading skills. This will include identifying and discussing new vocabulary, identify themes of texts and scanning to locate information.

English

We will use the book, *The King Who banned the Dark*, to inspire our writing. We will create a number of different independent writing pieces linked to this book. We will be learning about complex sentences, expanded noun phrases and will continue to develop handwriting and spelling.

Maths

We will be learning to use formal column method for addition and subtraction. We will also use concrete resources to support this learning (base 10 and place value counters).

We will be learning number facts for the 3, 4- and 8-times tables.

Science

We will be learning about light. This will include light sources, darkness, reflection and shadows.

Computing

We will be learning about using technology safely with a focus on appropriate online behaviour. We will also learn how to use desktop publishing software.

Geography

We will be learning to use maps to locate significant areas related to the Egyptians.

History

We will continue our Egyptian journey finding out about significant people, religion and buildings.
