Admissions Arrangements 2025

Status: Draft
February 2024

For the purpose of these arrangements:

A 'parent' includes the natural or adoptive parent of a child (irrespective of whether they are or ever have been married, with whom the child lives, whether the child has contact with them, or whether they have parental responsibility for the child), as well as people who are not the child's natural or adoptive parent, but have care of, or parental responsibility for, the child.

A 'looked after child' is a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of its social services functions, in England. A 'previously looked after child' is a child who was looked after, but ceased to be so because they were adopted or made subject to a child arrangements order or special guardianship order. This includes children who appear to have been in state care outside England. Where the child was in the care of a local authority in England, applications under this category must be supported by a letter from the relevant Local Authority. Where the child appears to have been in care outside England, all available evidence will be considered and a panel of Trustees will make a judgement on whether priority should be applied under the published over-subscription criteria.

A 'sibling' is the applicant child's:

- *full brother or sister (sharing both parents), or*
- *half-brother or sister (sharing one parent), or*
- *adopted brother or sister (sharing one or both parents), or*
- *foster brother or sister (a looked after child placed with the family), or*
- *a step-brother or sister (one child's parent married to the other child's parent), or a child of a cohabiting partner (one child's parent cohabiting with the other child's parent)*

and in all cases where the applicant child and the 'sibling' are living at the same home address (as defined in this document) and are being brought up as part of the same core family unit. For the avoidance of doubt, a child of an extended family member (e.g. cousin) and/or a child of a friend will not meet the definition of a 'sibling' even if they live at the same home address as the applicant child.

1. Purpose of the Admission Arrangements

The purpose of these arrangements is to make the admissions process to the school clear and open. They should be read in conjunction with the South Gloucestershire Admission to Primary and Secondary School Booklets. Applicants are also encouraged to read the School's prospectus, to visit the School's websites and to attend open days/evenings.

The Trust adheres to the statutory requirements and the principles expressed in the School Admissions Code (DfE September 2021). The admission arrangements will be determined by 28 February each year and published on the School's website by 15 March.

2. Children with Education, Health and Care Plans (EHCPs).

Children with EHCPs are admitted through different arrangements set out in the SEN and Disability Code of Practice managed by their home Local Authority (LA), and not under the School's admission arrangements. Children allocated in the bulk September intake under the SEN and Disability Code of Practice will reduce the number of places available to offer. Children allocated at other times will be admitted even if this causes a breach of the Published Admission Number (PAN).

3. Children of Multiple Births

Where a child who qualifies for a place is a child of multiple birth (more than one child from a single pregnancy), numbers will be breached to enable all children of the same birth to attend the same school.

4. Children of UK Service Personnel (UK Armed Forces)

For families of service personnel with a confirmed posting, or crown servants returning from overseas, the Trust will accept applications and consider them against the over-subscription criteria in advance of the family arriving in the area provided the application is accompanied by an official letter confirming the relocation date and planned address.

5. Home Address

The child's home address will be the residential (not business) address at which the child lives with a parent (as defined in this policy) and sleeps for more than 50% of the time during term time. For bulk applications to Reception you must use your child's permanent address home address as at the 15th January 2025.

It will usually be the address at which the child is registered with their GP, dentist and/or optician, and at which Child Benefit and other child related benefits are claimed, if eligible. The Trust reserves the right to request documentary evidence of the child's home address, and a panel of Trustees will determine the appropriate address to be used in ranking the application for a place at the School, in accordance with the process set out in Appendix E.

For clarity, the Trust cannot accept:

- a temporary address;
- the address of a business, relative, friend, or childminder, unless they meet the definition of 'parent' as defined above;
- the address of a house it is intended to move to (other than under section 4 above)
- a property which has been acquired or leased solely to use the address on the application form without any intention of taking up permanent residence there;

If an offer is made on the basis of an address or evidence provided which is later proved to be fraudulent or intentionally misleading, the Trust reserves the right to withdraw the place up to the end of term 2.

6. Nursery

If in future the school opens nursery provision, separate arrangements will apply.

7. Compulsory school age (CSA) for primary phase children

Legally, children do not have to be in full time education until the term following their fifth birthday. Where an applicant to Reception is below CSA, parent(s) have the right to defer their entry:

- until later in the academic year or until the term in which the child reaches CSA, or
- That their child takes up the place part-time until the child reaches CSA, or
- A combination of the above.

Children reaching the age of 5 between:	Can defer until:	And will join the:
1 September – 31 December 2025	1 January 2026	Reception class
1 January – 31 March 2026	31 March 2026	Reception class

Children reaching the age of 5 between 1 April and 31 August 2026 may defer their entry until September 2026 but a new application will have to be made to join Year 1 and places may not be available. Alternatively, they may request delayed entry into the September 2026 Reception class (see Section 8).

However, children are normally admitted to school in the September following their fourth birthday.

8. Education Outside of Normal Age Group

Parents may apply for a place outside of their child's normal age group. In addition to the usual application form parents must complete the form found in Appendix D. A panel of

Trustees will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of:

- the parent's views;
- the views of the head teacher;
- information about the child's academic, social and emotional development;
- any relevant, medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may have fallen into a lower age group were they not born prematurely.

Please note this is not an exhaustive list, and every case will be considered individually.

Where the Panel of Trustees agrees to the request, the application will be processed with all the other on-time applications, applying the usual over-subscription criteria, unless the parental request is made too late for this to be possible.

For the avoidance of doubt, where the Trust indicates willingness to accept an application from a child placed out of year group, this will not guarantee a place at the school, as any application will have to be made with the admissions round for the year in which the child is starting school and will be considered against the published admission criteria.

Where a place is refused out of year group, but a place is offered in the correct chronological year group, there will be no right of appeal.

Children placed in a year group below their chronological age will reach statutory school leaving age before completing Key Stage 4 courses. Parents will be expected to support their child's continuing school attendance beyond the statutory school leaving date in order to ensure completion of Key Stage 4.

9. In-Year Transfer

Parents who wish to obtain a place at the school other than at the bulk September intake, should apply directly to the Trust Admissions Officer using the form contained in Appendix F. Parents will have a decision about allocating a place within 10 school days.

If a place is available, it will be offered in line with the Admission Arrangements, or a referral will be made under the Fair Access Protocol.

Where there is no place available within the PAN for the relevant year group, the application will be refused. The applicant will be given the opportunity to join the waiting list and/or appeal. Parents will also be informed about places available at other suitable Trust school(s).

10. Bulk September Applications

Applications should be made to the child's home LA on the co-ordinated admissions form. Allocations will be made up to the Published Admission Number (PAN) which can be found in Appendix A. If the school is over-subscribed, allocations will be made according to the criteria in Appendix B.

Children attending any nursery at the school do not have the automatic right of a place in Reception. Parents must apply in the usual way and places will be allocated based on the over-subscription criteria contained in Appendix B.

11. Waiting Lists

Where the school is oversubscribed and places have been refused to some applicants, a waiting list will be maintained by the Trust for any vacancies which subsequently arise. The waiting list will be prioritised according to the admission criteria and not by reference to the date of joining the waiting list. Parents will be contacted once a year to check whether they wish their child to remain on the list. It is the parent's responsibility to notify the Trust's Admissions Officer of any change in address or contact details.

12. Appeals

Where an application is refused, parents have a right to appeal to an independent panel. If parents wish to appeal they must complete and return the Appeals Form directly to the Trust's Admissions Officer. An independent appeals panel will be convened at which both the parents and the Trust will present their cases. Where a place is refused out of year group, but a place is offered in the correct chronological year group, there will be no right of appeal (see section 6 above). Repeat appeals for the same school year will not be considered unless there is a significant and material change in circumstances.

Publication

The determined admission arrangements will be placed on the School's website by 15th March 2024.

Appendix A: Published Admission Number (PAN)

Hanham Abbots School has a total PAN of 90 across both infants and juniors. The Trust is supported by the LA in allocating places in Reception.

Appendix B: Over-subscription criteria

If the school is over-subscribed (i.e. if there are more applications than places available), initial allocations will be made according to the criteria below. These are listed in order of priority and will be applied to all applications for the school received by the published closing date for applications.

- a) Looked after and previously looked after children.
- b) Children living in the Area of Prime Responsibility (APR) as defined in Appendix C, with a sibling already at the school who will still be on roll at the date of admission.
- c) All other children living within the APR.
- d) Children living outside the APR with a sibling already at the school who will still be on roll at the date of admission.
- e) All other children

Where the number of places available will be exhausted within any of the categories above, the priority of applications will be decided by geography, and priority will be given to those children who live closest to the school. Distances from home to school are measured in a direct line between the address point of the child's home and a central point within the main school building using the LA's computerised mapping system.

If it does not prove possible to resolve the priority using distance, the remaining places will be allocated by random lottery, in front of an independent witness.
