Leaf is consulting on its proposed admission arrangements for the academic year 2026/27 for all of its schools within both local authority areas. The consultation will be open from **18th November 2024** and close on **20th January 2025**. Full draft arrangements for all schools can be read at <https://leaftrust.co.uk/about-us/admissions/>

Leaf proposes to adopt the existing admission arrangements, previously determined by Bristol City Council and South Gloucestershire County Council, save for a reduction in Published Admission Number (PAN) at The Tynings Primary School. It is proposed to reduce the PAN from 60 to 30. A smaller intake better reflects the historic and current admission numbers and is based on the space planning information supplied by South Glos Local Authority. The reduction will permit all classes to be accommodated in the main school building, the staff room to be relocated back into the main building and a library established. The Trust Board will review any consultation feedback at their meeting on 12th February 2025. The arrangements will be finalised by the end of February and published by the 15th March 2025.
