

Compliance at Hanham Primary Federation

Meet our Local Governing Body

Names	Designation	Roles and Link Positions	About me...
Sue Abrahams	Governance Professional		I have been involved in governance for 16 years and enjoy supporting the Local Governing Body in performing a variety of administrative tasks to ensure the effective smooth running of the board.
Amy Pope	Community Governor	Co-Chair - Reading/OPAL Learning	I am now in my fourth year as a governor, with three children at the federation. I currently work as part of the inclusion team at a local primary school, where I'm responsible for safeguarding, attendance and supporting families through the Early Help process. Prior to this role, I was a key stage 1 teacher in London and inner Bristol. My intention in becoming a governor, was to be involved in the federation's journey and to ensure an inclusive and inspiring experience for its pupils.
Jakub Korab	Parent Governor	Maths	I am an elected parent governor, who has had two children go through the federation and one who is currently still here. In my day job, I am an Executive Advisor and Senior Manager for a large technology company specialising in real-time data. I consult with our customers around the changes that they need to make around people and processes in order to effectively use our technology across their organisations. My motivation in taking this role was to ensure that our children get the highest quality education possible. As a parent governor, I don't speak "on behalf" of parents. Instead, I bring a parental perspective to the strategic decisions the governors make.
Andy Watson	Community Governor	Co-Chair -Safeguarding/Curriculum	I've been a governor for the past 9 years, the last 5 of which I've been the Chair of our Federation's board. Professionally I'm a structural engineer working for a large multinational consultant on some of the biggest infrastructure projects in the UK and am passionate about STEM subjects, but more importantly ensuring that children have a solid start in life through education. My role within the school includes being the safeguarding link governor, and I also sit on the South Gloucestershire school forum meeting representatives from the local authority and other schools to

			review and challenge children's education services. Being a governor has given me the experience where I can support a local junior rugby club as their safeguarding officer for this season.
Brenda Langley	Community Governor	Curriculum	Awaiting Information
Kim O'Donnell	Community Governor	Data	I am a parent of a young child, living in the local community. I became a Governor because I'm passionate about contributing to the school community helping to create a nurturing, ambitious environment where every child can thrive. I bring experience from a career in policing and now work as an Investigator in the private sector, specialising in ethics, conduct and compliance across the UK and Europe. My work involves managing sensitive issues with fairness and integrity, and supporting organisations to create safe, inclusive cultures - skills I believe are closely aligned with the values of Hanham Primary Federation. I have a strong background in safeguarding, HR processes and policy, and I wanted to ensure all children feel safe, valued and supported to achieve their best. As a new Governor I have a lot to learn but am excited to get involved and play an active part in supporting the Federation's vision.
Laura Pearce	Community Governor	Disadvantaged/SEND/Inclusion	I have a background in speech and language therapy and I am also a parent. I have a keen interest in SEND and particularly neurodiversity and I am passionate about every child having a positive school experience. I want to help bring the voice of this group to the forefront.
Gabrielle Howells	Ex officio Headteacher	n/a	Headteacher at Hanham Primary Federation
Callum Perry	Staff Governor	Y6 Teacher	Staff governor at Hanham Primary Federation

Compliance:
